FAQs: Tips for a **ReMarkable** Experience

- **How do I check my registration?**

Your registration information can be found on your BAYADA University home page. At the top of the page, click **My Learning**, then **My Learning Plan** to reveal the date, time, and location of your training. Click the name of the class to make any changes to your registration and view details about the class.

If you have any trouble making changes, updates or need further assistance, please email [the BAYADA University mailbox](#). >>

- **What if the weather is bad?**

While we can't control the weather, your safety is a priority. If inclement weather impacts any training classes, a team member will communicate the changes via email as soon as possible to all participants and facilitators.

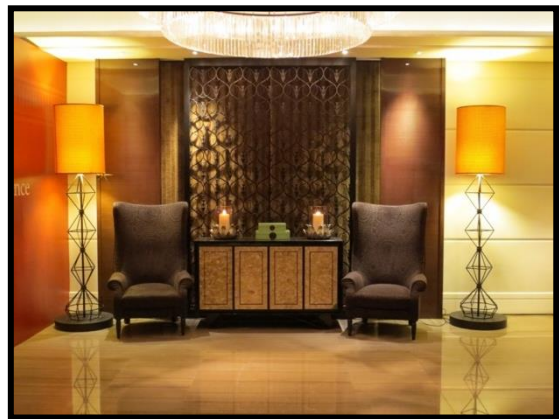

- **What happens if I have to cancel my registration?**

Life happens. If you are unable to attend a training class, go to your Learning Plan in BAYADA University, click on the course, and select **Reschedule Me**. If you have any trouble making changes or updates, please email [the BAYADA University mailbox](#) as soon as possible. Late cancellations may result in a charge due to the planning and logistics that go into each session.

- **How do I make my hotel reservations?**

Please contact your chosen hotel directly to make reservations. Hotels for North Carolina can be found on pages 3 to 4, and New Jersey on pages 6 to 8. *Please use the codes or links provided in this document to ensure that you get the contracted BAYADA rate.*

You can choose to stay at a hotel not recommended in this document. Please feel free. A quick search of the Internet will provide many local options (others listed on each Learning Center's travel page). If you choose to stay at a hotel not listed in the Travel Guide, please plan on coordinating your own transportation to and from the NJLC.

“Continuously improve our work through evaluation, education, and training.”

~The BAYADA Way

- **What is an incidental?**

BAYADA covers the cost of your stay at your chosen hotel for the duration of your training. This coverage includes the room charge, plus tax. It does not cover incidentals, including non-essential hotel amenities such as room service, spa treatments, or gratuities. For more information about what costs BAYADA covers, please see the [Reimbursement of Expenses policy](#). >>

- **Do I need to rent a car?**

Car rental is at the discretion of your director. All of the major airports near the Learning Centers provide shuttle and taxi service to the local hotels. Our recommended hotels also provide shuttle service to the Learning Centers; please see pages 3 - 4 for more detailed information on North Carolina, and pages 6 - 8 for New Jersey.

- **What should I wear?**

The standard dress at the Learning Centers is business professional. Keep in mind: this speaks to your training class. If you are in a clinical training where scrubs are appropriate, wear what fits the position. See BAYADA's [policy](#) on dress code for more information.

- **What time do I need to get there?**

Class begins promptly at 8:30 a.m. We recommend arriving at least 15 - 20 minutes early, to ensure that you have time to check in and grab the all-important cup of coffee.

- **Will food be provided?**

The Learning Centers provide a light morning snack, lunch, and light afternoon snack, as well as coffee, tea, juice, soda, and water.

If you have a medical or religious dietary restriction, please contact the coordinators of the Learning Center you will be visiting (contact information found on page 1 of this document) or email [the BAYADA University mailbox](#). >>

- **Do you have bottled water?**

In order to be as eco-friendly as possible, we do not provide bottled water. Each Learning Center provides filtered water taps and cups for participants. Feel free to bring your own bottle to fill!

“Continuously improve our work through evaluation, education, and training.”

~The BAYADA Way

- **Should I bring my laptop?**

Laptops will not be needed for training purposes. However, many participants like to use their lunches and breaks to catch up on emails from the office. If you decide to bring your laptop, please refrain from using it during class, as we encourage all attendees to be engaged and to participate.

- **Do I need to do anything after class?**

As *The BAYADA Way* states, we strive to continuously improve our work through evaluation, education and training. Please be on the lookout for an evaluation following your training session. In addition, assessments are assigned after Welcome, CORE and Director Training. These will both be listed within your Learning Plan in BAYADA University.

“Continuously improve our work through evaluation, education, and training.”
