

Spam E-mail Options in Gmail

1. E-mail communication from **BAYADA Education Connection** may be flagged as spam and sent to your **Spam** folder instead of your **Inbox**.
 - 1.1. If the e-mail is sent to your **Spam** folder, you can select the e-mail and click on the **Not Spam** button and that will move the e-mail to your **Inbox**.
 - 1.1.1. This will also **Whitelist** the sender and prevent future **BAYADA Education Connection** e-mails from being flagged as spam.
